NA = Not Assessed during this inspection

Administration	C	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
R501-19-3(2). The residential treatment program serving a child provides direct supervision that meets supervision and ratio requirements.	X					
R501-19-3(3). The residential treatment program serving a child has no less than two direct care staff on duty.	X					
R501-19-3(4). The residential treatment program serving a child maintains a staff to client ratio of no less than one staff to every four clients or as otherwise dictated in department contract.	X					
R501-19-3(5). Except as provided under Section R501-19-4, a residential treatment program serving a child may decrease the staff to client ratio during client sleeping hours to one staff to every 16 clients.	X					
R501-19-3(6). The residential treatment program serving a child only decreases the number of staff as described in Section R501-19-4 if: (a) each client is appropriately supervised to ensure health and safety at the ratio; and (b) each direct care staff remains awake while on duty.	X					
R501-19-3(7). The residential treatment program increases each staff to client ratio as necessary to ensure the health and safety of the current client population.	X					
R501-19-3(8). Direct supervision is only performed by direct care staff who are in physical proximity to the clients and actively supervising with line-of-sight check-ins no less frequently than every 15 minutes.	X					
R501-19-3(9). Except in an emergency situation that is caused by a client's behavior or medical needs, each direct care staff assigned to a one-on-one or line-of-sight supervision is not counted at the same time in the staffing ratio for any other client.	X					
R501-19-3(10). The program policy includes how the program will accommodate client privacy in each bedroom space while assuring client health and safety.	X					
R501-19-3(11). The residential treatment program may utilize on-site video surveillance to directly supervise a client in time out or seclusion or as an enhancement to minimum supervision ratio requirements. 15-minute physical check-ins must be conducted and documented when a client is being monitored by video.			X			
R501-19-3(12). Video surveillance in bedrooms is only used by a residential treatment program: (a) with client, parent, or guardian permission; (b) when there is a documented need; (c) when the programs monitor cameras or checks in at intervals of 15-minutes or less; and (d) in a program serving an individual with disabilities, where video surveillance is in compliance with Rule R539-3.			X			

R501-19-3(13). A residential treatment program serving a child may provide step-down privileges to include unsupervised time and authorized departures from the program if: (a) the program maintains a 1:4 direct care staff to client ratio; (b) the program documents in the client record and communicates to each of the client's direct care staff individualized justification for the step-down privileges and which privileges are authorized by a clinical professional; (c) the program obtains written parental or guardian consent prior to allowing step-down privileges; and (d) the program provides to each client and parent or guardian a policy that includes: (i) a description of what constitutes authorized departure and unsupervised time; (ii) a description of how each step-down privilege, including authorized departure or unsupervised time, is achieved and rescinded; (iii) a policy that the program will immediately communicate to each client parent or guardian and direct care staff when the step-down privileges have been rescinded; and (iv) a statement that no step-down client is permitted to perform any direct care staff duties.			X			
R501-19-3(14). A residential treatment program serving adults may admit a 17-year-old under the following circumstances: (a) the program obtains written permission from the individual's parent or legal guardian; (b) the program provides clinical justification; (c) the program ensures that the individual sleeps in a separate room from adults or a room that the individual shares with adults no more than two years older than the individual; (d) the program ensures that any adult with direct access to the 17-year-old is directly supervised by a direct care staff; and (e) the program ensures enhanced safety and supervision measures for treating a minor in an adult setting.			X			
R501-19-3(15). The residential treatment program providing services to a substance use disorder client: (a) only admits a substance use disorder client with a level of care that falls within American Society of Addiction Medicine levels 3.1 through 3.5; and (b) obtains any required licenses before providing any service to a substance use disorder client outside of the residential milieu with a level of care described in Subsection R501-19-3(16).			X			
R501-19-3(16). The residential treatment program makes any necessary accommodation before allowing a child to continue the child's education with a curriculum approved by the State Board of Education.	X					
R501-19-3(17). A program that provides education utilizes a curriculum that is recognized by an educational accreditation organization such as the State Board of Education or the National School Accreditation Board.	X					
R501-19-3(18). A program that allows a client to participate in meal preparation ensures proper training and justify the client's participation in writing.			X			
R501-19-3(19). The residential treatment program provides individual, group, and family counseling or other treatment, including skills development, at least weekly or as outlined in the individual's treatment plan.	X					
R501-19-3(20). A residential treatment program that provides therapeutic service such as life skill development, psychoeducation, or social coaching is included in the therapeutic environment and be <u>overseen by a clinical professional</u> .	X					
R501-19-3(21). The residential treatment program documents the time and date of each service provided to each client. Any documentation includes the signature of the individual providing service.	X					
R501-19-3(22). The residential treatment program provides indoor space for free and informal client activities.	X
