General Provisions Inspection Checklist									
	C = Co = Not ssed	Com	plian						
Licensing Application and Monitoring Procedures	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes			
R501-1-4(1)(c) and R501-1-10. The provider permitted OL unrestricted access to site(s), records, clients, and staff during business hours.			√			Assessed during annual inspection			
Program Changes	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes			
R501-1-6. Any changes to the license, services, ownership, capacity, location, and contact information were properly reported and processed.			√			Assessed during annual inspection			
Variances	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes			
R501-1-8. The provider is in compliance with the terms of approved rule variances.			\checkmark			Assessed during annual inspection			
Required Approvals	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes			
R501-1-9. All required policies, curriculums, and updates have been approved by OL before implementation.			√			Assessed during annual inspection			
Investigations of Alleged Noncompliances	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes			
R501-1-11. All reportable critical incidents were properly reported.			✓			Assessed during annual inspection			
Licensee Noncompliance	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes			
R501-1-12. If the license has been suspended or revoked, the provider does not accept new clients.			✓			Assessed during annual inspection			
Program Administration and Direct Service Requirements	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes			
R501-1-13(1). The provider clearly identifies services to the office, public, potential client, parent, or guardian regarding: (a) contact information; (b) the complaint reporting and resolution process; (c) a description of each service provided; (e) each program requirement and expectation; (f) eligibility criteria outlining behavior, diagnosis, situation, population, and age that can be safely served; (g) each cost, fee, and expense for a service and refund policy; and (h) identification of each non-clinical, extracurricular, or supplemental service offered or referred.			✓			Assessed during annual inspection			

R501-1-13(2). The following items are posted in a conspicuous place: (a) abuse reporting laws; (b) civil rights notice; (c) Americans with Disabilities Act notice; (d) the program license; (e) any office notice of agency action; and (f) a client rights poster.		✓		Assessed during annual inspection
R501-1-13(3). Provider is in compliance with: (a) food handler permits for any person preparing meals for any other person; (b) capacity limits; (c) licensure and registration of any vehicles used to transport clients.		✓		Assessed during annual inspection
R501-1-13(5). Provider has proof of: (a) financial viability of the program as verified by a financial professional; (b) vehicle insurance;		✓		Assessed during annual inspection
R501-1-13(6). Provider ensures that: (a) each entity associated with the licensee read, understand, sign, and follow the current department code of conduct; (b) current staff and client lists are available at each licensed site; (f) at least one CPR and First Aid trained or certified staff member is available when staff and clients are present together; (g) the program maintains an opioid overdose reversal kit on-site with on duty staff trained in its use if the program is serving, or is likely to serve, a client with a substance use disorder; and (h) the program provides trainings and monitors staff to ensure compliance regarding program policy and procedures including: (i) the needs of each client; (ii) licensing rule; (iii) client rights; (iv) department code of conduct; (v) incident reporting; (vi) program emergency response plan; and (vii) CPR and first aid.		V		Assessed during annual inspection
R501-1-13(7) & (8). A program providing school on-site: (a) completes youth education forms for all education entitled children (b) maintains the established staff to client ratio with behavioral intervention trained staff in the school setting; (c) is recognized as in good standing by an educational accreditation organization such as the State Board of Education or the National School Accreditation Board; and (d) ensures each youth is taught at grade level.		√		Assessed during annual inspection

R501-1-13(9). The provider ensures that unlicensed clinical and medical staff who are not associated with the facility are appropriately supervised.			√			Assessed during annual inspection
R501-1-13(10). A program that utilizes telehealth for treatment complies with each applicable rule.			√			Assessed during annual inspe
Residential Programs Additional Administration and Direct Services Requirements	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
R501-1-14(1). A program providing residential service: (b) ensures that each staff shift list remains current and available to the office upon request; (c) ensures access to a medical clinic or a medical professional familiar with the program and population served; and (d) provides a separate space for clients who are sick.			✓			Assessed during annual inspection
R501-1-14(3). If the congregate care program caring for youth allows an individual turning 18 years old to remain in the program, the provider ensures that: (a) the individual remains in the custody of a State entity or the individual was admitted and continuously resided in the program for at least 30 days before the individual's 18th birthday; (b) the program has a documented need for the individual to remain in the program; (c) the program maintains responsibility for discharge to an appropriate setting when clinically appropriate and no later than the day an individual reaches 19 years of age; (d) the program outlines a policy regarding the protection of younger clients by supervising or separating 18-year-old individuals from youth who are more than two years younger; and (e) the individual signs a consent document outlining: (i) the individual is consenting to remain in the program voluntarily and understands the individual is not required to remain against their will; (ii) that any criminal offenses committed may result in being charged as an adult; and (iii) that if the individual is involved in any critical incidents posing a risk to the health and safety of other program residents they may be discharged from the program.			✓			Assessed during annual inspection
R501-1-14(4). The provider facilitates weekly confidential voice-to-voice communication between a child and the child's parents, guardian, foster parents, and siblings. The provider ensures that the communication complies with the child's treatment plan, if any; and (a) does not use family contact as an incentive for proper behavior or withhold family contact as a punishment; (b) does not deny the communication unless state law or a court order prohibits the communication; or modify the frequency or form of the communication unless: (A) the office approves the modification; or (B) state law or a court order prohibits the frequency or the form of the communication.			✓			Assessed during annual inspection

R501-1-14(5). The provider ensures that before allowing a direct care staff to work unsupervised, they have an approved background clearance and are trained in the following: (a) behavior management policy and curriculum including crisis intervention, appropriate use of restraint and seclusion, and de-escalation techniques; (b) which practices are prohibited for congregate care programs; (c) the clinical needs of each of the clientele; (d) client rights; (e) department code of conduct; and (f) incident reporting.			✓			Assessed during annual inspection
R501-1-14(6). Direct care staff are trained in first aid and CPR within six months of hire.			V			Assessed during annual inspection
Program Physical Facilities and Safety	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
R501-1-15(1). The appearance and cleanliness of the building and grounds are maintained and free from health and fire hazards.			✓			Assessed during annual inspection
R501-1-15(2). Appliances, plumbing, electrical, HVAC, and furnishings are maintained in operating order and in a clean and safe condition.			√			Assessed during annual inspection
R501-1-15(3). clients with disabilities are accommodated as needed or appropriately referred to comparable services.			V			Assessed during annual inspection
R501-1-15(4). Fire drills in non-outpatient programs are conducted and documented at least quarterly and program administration provides and documents feedback regarding response time and process.			✓			Assessed during annual inspection
R501-1-15(5). A 911 recognizable phone is always on-site with clients.			√			Assessed during annual inspection
R501-1-15(6). Bathroom facilities for staff and clients allow for individual privacy and afford reasonable accommodation based on gender identity.			V			Assessed during annual inspection
R501-1-15(7). Each bathroom is properly equipped with toilet paper, paper towels or a dryer, and soap.			√			Assessed during annual inspection
R501-1-15(8). Each bathroom is ventilated by mechanical means or equipped with a window that opens.			✓			Assessed during annual inspection
R501-1-15(9). Medications and potentially hazardous items on-site are maintained lawfully, responsibly, and with consideration of the safety and risk level of the population served. This includes locked storage for each medication and hazardous chemical.			✓			Assessed during annual inspection
R501-1-15(10). Non-prescription medications, if stored on-site, are stored in original manufacturer's packaging together with the manufacturer's directions and warnings.			\checkmark			Assessed during annual inspection
R501-1-15(11) & (12). Prescription medications, if stored on-site, are stored in original pharmacy packaging or individual pharmacy bubble pack together with the pharmacy label, directions, and warnings. Maintains fully supplied First Aid Kit as recommended by the American Red Cross			✓			Assessed during annual inspection
Residential Programs Additional Facilities and Safety Requirements	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
R501-1-16(1). There is designated space available for records, administrative work, and confidential phone calls for clients.			V			Assessed during annual inspection

R501-1-16(2). Bedroom assignments are made in accordance with each approved agency non-discrimination policy and individualized assessment.			√			Assessed during annual inspe
R501-1-16(3). Live-in staff have separate living spaces with a bathroom that is separate from client bathrooms.			√			Assessed during annual inspe
R501-1-16(4). Each bedroom designated for clients is comparable to other similarly utilized bedrooms with similar access, location, space, finishings, and furnishings.			✓			Assessed during annual inspe
R501-1-16(6). No client is locked in a bedroom.			√			Assessed during annual inspe
R501-1-16(7). Each mirror or safety mirror is secured to the bathroom wall at a convenient height.			✓			Assessed during annual inspe
R501-1-16(8). Each bathroom is placed to allow access to each client without disturbing any other client during sleeping hours.			✓			Assessed during annual inspe
R501-1-16(9). Each bath or shower allows for individual privacy.			V			Assessed during annual inspe
R501-1-16(10). Each client is supplied with hygiene supplies.			√			Assessed during annual inspe
R501-1-16(11). Each sleeping area has a source of natural light and is ventilated by mechanical means or is equipped with a window that opens.			V			Assessed during annual inspe
R501-1-16(12). Each bed is solidly constructed and non-portable.			V			Assessed during annual inspe
R501-1-16(13). Each client is permitted to decorate and personalize their bedroom, while maintaining respect for each other resident and property.			✓			Assessed during annual inspection
R501-1-16.(14) A program that provides common laundry for towels, bedding, or clothing shall provide separate containers for soiled and clean laundry.			√			Assessed during annual inspe
R501-1-16. (15). Bedding and towels are laundered weekly and after each client is discharged.			√			Assessed during annual inspe
R501-1-16(16). Programs permitting clients to do laundry provide equipment and supplies for washing and drying			√			Assessed during annual inspe
R501-1-16(17). Each individual is provided with at least 60 square feet in a multiple occupancy bedroom and 80 square feet in a single occupant bedroom.			✓			Assessed during annual inspe
R501-1-16(18). In facilities serving individuals with disabilities, no more than two persons are housed in each bedroom.			✓			Assessed during annual inspe
R501-1-16(19). Seclusion room measures 75 square ft. with 7 feet ceiling. nothing that obstructs view of client, no safety hazards, has natural light or mechanical ventilation, no locking capability, cannot be a bathroom, bedroom, closet or area outside the licensed site.			V			Assessed during annual inspe
Food and Service Requirements	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
R501-1-17(1). Residential programs that provide meals for four or more, but less than 16, clients comply with a local health inspection.			√			Assessed during annual inspection

R501-1-17(2). Meals are not used as incentive or punishment.			√			Assessed during annual inspe
R501-1-17(3). Each program that provides meals provides nutritional counseling to staff and clients and designate staff responsible for food service. As part of these responsibilities, each program ensures that designated staff: (a) maintain a current list of each client with special nutritional needs; (b) ensure that each client with special nutritional needs has food storage and a preparation area that is not exposed to any identified allergen or contaminant; and (c) except in a day treatment program serving clients for less than ten hours a day, or outpatient programs serving clients for less than six consecutive hours a day, provide a variety of three nutritious meals a day that is: (i) served from dietician or nutritionist approved menus; or (ii) for programs serving individuals experiencing homelessness, serve meals as required by USDA standard homeless settings.			✓			Assessed during annual inspection
R501-1-17(4). Programs that provide meals establish and post kitchen rules and privileges in a kitchen according to client needs and safe food handling practices.			✓			Assessed during annual inspe
R501-1-17(5). Programs that provide meals provide adequate dining space that is maintained in a clean and safe condition for each client .			\checkmark			Assessed during annual inspe
R501-1-17(6). Programs that provide self-serve meals ensure that self-serve kitchen users are supervised, directed, and trained by a staff that has a Department of Health food handler's permit or is trained by Serv-Safe, USDA, or a comparable program.			✓			Assessed during annual inspe

R501-22-4(3). If the residential support program accepts the services of a student or volunteer, they provide screening, training, and evaluation for each student or volunteer.	√								
R501-22-4(4). Each volunteer that provides care without a paid staff present in any emergency homeless shelter or domestic violence shelter has direct communication access to designated staff and has a cleared background screening prior to unsupervised client access.			√			Not an emergency homeless shelter or domestic violence shelter.			
R501-22-4(5). Each volunteer is informed verbally and in writing of program objectives and the scope of service.	√								

R501-22-4(6). The emergency homeless shelter is able to provide the following information regarding each client or has documented reasons why each piece of information is not obtainable: a) name; b) date of birth; c) race; d) ethnicity; e) gender; f) veteran status; g) disabling condition; h) start date; i) exit date;						Not an emergency homeless shelter.
(j) destination;			V			
 (k) relationship to head of household; (l) service location; (m) prior living situation; (n) case management log and service plan, where applicable; (o) information that could affect health, safety, or well-being, include medication needs; (p) documentation, which must be updated to include each service and contact and must be summarily updated at 90-day intervals; and (q) service plans, which emphasize self-sufficiency and identify and refer to applicable sources. 						
R501-22-4(7). Documentation for each client remains in effect for re-opening for 30 days past the last shelter stay with the exception of single night stays.	√					
Physical Facility	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
R501-22-5(1). Except as otherwise provided in this section, the residential support program has at least one bathroom for every ten clients.	√					
R501-22-5(2). A domestic violence shelter and emergency homeless shelter may allow family members to share a bathroom. Where a bathroom is shared by more than one family or by children over the age of eight, either the child's parent or program staff ensures that client privacy is maintained.			√			Not a domestic violence shelter or emergency homeless shelter.
R501-22-5(3). The emergency homeless shelter may exceed the bathroom ratio set forth in Subsection R501-22-5(1) if: (a) each bathroom ratio is approved by either the local authority that determines						Not an emergency homeless shelter.

R501-22-5(4). The emergency homeless setting has a policy to identify how to manage emergency overflow when capacity has been reached during extreme weather conditions.		√		The emergency homeless center.
R501-22-5(5). The residential support program has a policy and procedure that allows and encourages each client to have clean linen at least weekly.	√			
R501-22-5(6). An emergency homeless program may have portable beds, cots, or mats to accommodate fluctuating client volume.		√		Not an emergency homeless program.
R501-22-5(7). The residential support program provides clean bedding to each client as needed. Bedding is laundered at least weekly.	√			
R501-22-5(8). Each family may be permitted to share bedroom space with rules outlined by the program as described in this rule and in dormitory settings allowed by this rule.		√		Not going to have families stay on site.
R501-22-5(9). The following bedroom standards apply to domestic violence shelters, family support centers, temporary homeless youth shelters, emergency homeless family shelters, and children's shelters: (a) Each program shall provide at least 40 square feet per client in a multiple occupancy bedroom. Storage space and the use of one crib for children under two years of age shall not be counted in the square foot requirement as long as the crib does not inhibit access to and from the room. (b) Each program may use roll away and hide-a-beds as long as the client square foot requirement is maintained. (c) Each family member is allowed to share a bedroom with another family member. Where a bedroom is shared by more than one family, program staff shall make appropriate arrangements to ensure client privacy.	✓			
R501-22-5(10). If temporary youth shelter, they ensure that children in a temporary youth shelter with their own children have at least 40 square feet per person in a separately enclosed bedroom that houses only children that have their own children. Storage space may not be counted in the square foot requirement.		√		Not a temporary youth shelter.
R501-22-5(11). If emergency homeless shelter, temporary homeless youth shelter, and receiving center, they ensure that the standards of this subsection are met. (a) Dormitory style bedrooms may be permitted with square footage and capacity determinations made by the local fire authority. Capacity determinations shall include any staff present in the facility. (b) If the local fire authority does not identify capacity, licensing square footage requirements apply. (c) There is a policy to identify how to manage overflow when capacity has been reached.		√		Not emergency homeless shelter.

R501-22-5(12). The program outlines policies and procedures regarding: (a) rules and guidelines for each family or mixed gender sharing the same dormitory space or bedroom, including each individualized bedroom assignment; (b) securing personal belongings; (c) responsibility for each client supervising the client's own children; (d) conflict resolution; (e) nuisance and disruptive behavior; (f) housekeeping responsibilities; (g) daily schedules; (h) prohibited items; and (i) search policy.						Reach out to Jacquline for P&P
		√				
R501-22-5(13). If the program requires a client to provide the client's own laundry supplies and locate a laundromat for laundering, the program has a policy to assist each client on a limited basis when the client is unable to provide the client's laundry supplies and locate a laundromat.	√					
Specialized Services for Clients With Substance Use Disorders	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
R501-22-6(1). The program does not admit anyone who is currently experiencing convulsions, shock, delirium tremens, unconsciousness, or is in a coma.			√			Not a substance use disorder program
R501-22-6(2). The residential support program potentially serving clients with substance use disorder provides evidence of ongoing coordination with the local health authorities regarding managing communicable diseases within the licensed setting.			√			Not a substance use disorder program
R501-22-6(3). Staff are informed regarding: (a) various types of communicable diseases; (b) recognizing signs and symptoms of communicable diseases; (c) steps to take when a potential disease is identified or an outbreak occurs; and (d) screening staff and clients for risk of tuberculosis.			√			Not a substance use disorder program
R501-22-6(4). If a licensed substance abuse treatment program, they complete the National Survey of Substance Abuse Treatment annually.			√			Not a substance use disorder program
Specialized Services or Programs Serving Children Each residential support program serving only child populations is considered "congregate care" and must adhere to each requirement for background clearances, policy development and behavior management practices.	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
R501-22-7(2). The residential support program provides clean and safe age appropriate toys for children.			√			
R501-22-7(3). The residential support program provides an outdoor play area enclosed with a five-foot safety fence or enclosure as otherwise required by local ordinances.			√			
R501-22-7(4). Only a custodial parent, legal guardian, or person designated in writing is allowed to remove any child from the program.			√			

R501-22-7(5). The residential support program provides adequate staff to supervise children or be available to monitor parents supervising their own children.			√			
R501-22-7(6). The residential support program complies as required with the Interstate Compact on the Placement of Children (ICPC), including by ensuring the disruption plan is followed when a minor presents at a shelter as a result of a failed ICPC placement in a Utah residential setting.

R501-22-10(4). The emergency homeless shelter requires each adult resident to sign an agreement form at admission which outlines that visitors are allowed on premises to assist with housing, food stamps, assessments, religious, social and other client-specific needs. Each agreement outlines that participation in any meetings or groups with these visitors is strictly voluntary. Each client signature on the form and voluntary participation in the visitation constitutes the client's invitation to these visitors in the department licensed setting. Each client that has not signed the agreement does not participate in any voluntary services offered onsite. Staff in the homeless setting may not be considered a visitor as outlined in this section.			√			Not an emergency homeless shelter.
Specialized Services for Programs Serving Clients of the Division of Services for People with Disabilities	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
R501-22-11(1). In accordance with the federal Home and Community-Based Services (HCBS) Settings final rule, programs serving HCBS Waiver clients complete and adhere to						Don't serve DSPD clients.
the characteristics of a compliant setting outlined in the residential attestation agreement form and self-assessment survey for each licensed site.			✓			
R501-22-11(2). Copies of the residential attestation agreement form and self-assessment are located in program documentation and updated as needed.			✓			Don't serve DSPD clients.
R501-22-11(3). In the event of a conflict between this rule and the Settings Final Rule the Settings rule shall prevail.			✓			Don't serve DSPD clients.
Receiving Centers Each receiving center may be licensed under multiple license types to be able to assess and triage immediate client needs. Each receiving center may offer short-term residential support that is intended to mitigate the initial identified problem, stabilize each client, and return each client to the community as quickly and safely as possible.	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
R501-22-12(3). The receiving center outlines in policy and procedure and consumer agreements how each population will be separated and maintained and under which circumstances interactions between populations will be permitted.			√			Not a receiving center.
R501-22-12(4). The receiving center includes individualized clinical documentation for each instance in which a stay lasts longer than 30 days. The individualized clinical documentation outlines the ongoing need and anticipated time frame during which the client will remain in the receiving center.			√			Not a receiving center.
R501-22-12(5). Each placement in a receiving center is a voluntary alternative to a more restrictive placement. A receiving center may not mandate treatment as a condition to residence.			√			Not a receiving center.
