<b>R501-1-15(9).</b> Medications and potentially hazardous items on-site are maintained lawfully, responsibly, and with consideration of the safety and risk level of the population served. This includes locked storage for each medication and hazardous chemical.						
<b>R501-1-15(10).</b> Non-prescription medications, if stored on-site, are stored in original manufacturer's packaging together with the manufacturer's directions and warnings.						
<b>R501-1-15(11).</b> Prescription medications, if stored on-site, are stored in original pharmacy packaging or individual pharmacy bubble pack together with the pharmacy label, directions, and warnings.						
Transportation	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
<b>R501-1-16(1).</b> There is designated space available for records, administrative work, and confidential phone calls for clients.						
<b>R501-1-16(2).</b> Bedroom assignments are made in accordance with each approved agency non-discrimination policy and individualized assessment.						
<b>R501-1-16(3).</b> Live-in staff have separate living spaces with a bathroom that is separate from client bathrooms.						
<b>R501-1-16(4).</b> Each bedroom designated for clients is comparable to other similarly utilized bedrooms with similar access, location, space, finishings, and furnishings.						
R501-1-16(6). No client is locked in a bedroom.						
<b>R501-1-16(7).</b> Each mirror or safety mirror is secured to the bathroom wall at a convenient height.						
<b>R501-1-16(8).</b> Each bathroom is placed to allow access to each client without disturbing any other client during sleeping hours.						
R501-1-16(9). Each bath or shower allows for individual privacy.						
R501-1-16(10). Each client is supplied with hygiene supplies.						
<b>R501-1-16(11).</b> Each sleeping area has a source of natural light and is ventilated by mechanical means or is equipped with a window that opens.						
R501-1-16(12). Each bed is solidly constructed and non-portable.						
R501-1-16(13). use of alternate sleeping arrangements other than the client's assigned bedroom is only done on an individualized basis with clinical or medical justification and: (a) preserves client dignity; (b) Is not be done as a blanket practice; (c) Is not used due to staffing shortages or for staff convenience; and (d) Is not used as a behavior management or consequence practice.						
<b>R501-1-16.</b> Each client is permitted to decorate and personalize their bedroom, while maintaining respect for each other resident and property.						

<b>R501-1-16.</b> Common laundry for towels, bedding, or clothing provide separate containers for soiled and clean laundry.						
R501-1-16(15). Bedding and towels are laundered weekly and after each client is discharged.						
<b>R501-1-16(16).</b> Programs permitting clients to do the client's own laundry, provide equipment and supplies for washing and drying.						
<b>R501-1-16(17).</b> Each individual is provided with at least 60 square feet in a multiple occupancy bedroom and 80 square feet in a single occupant bedroom.						
<b>R501-1-16(18).</b> In facilities serving individuals with disabilities, no more than two persons are housed in each bedroom.						
Bahavior Management	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
<b>R501-1-17(1).</b> Residential programs that provide meals for four or more, but less than 16, clients comply with a local health inspection.						
R501-1-17(2). Meals are not used as incentive or punishment.						
R501-1-17(3). Each program that provides meals provides nutritional counseling to staff and clients and designate staff responsible for food service. As part of these responsibilities, each program ensures that designated staff:  (a) maintain a current list of each client with special nutritional needs;  (b) ensure that each client with special nutritional needs has food storage and a preparation area that is not exposed to any identified allergen or contaminant; and  (c) except in a day treatment program serving clients for less than ten hours a day, or outpatient programs serving clients for less than six consecutive hours a day, provide a variety of three nutritious meals a day that is:  (i) served from dietician or nutritionist approved menus; or  (ii) for programs serving individuals experiencing homelessness, serve meals as required by USDA standard homeless settings.						
<b>R501-1-17(4).</b> Programs that provide meals establish and post kitchen rules and privileges in a kitchen according to client needs and safe food handling practices.						
<b>R501-1-17(5).</b> Programs that provide meals provide adequate dining space that is maintained in a clean and safe condition for each client .						
<b>R501-1-17(6).</b> Programs that provide self-serve meals ensure that self-serve kitchen users are supervised, directed, and trained by a staff that has a Department of Health food handler's permit or is trained by Serv-Safe, USDA, or a comparable program.						
Program Staffing	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
<b>R501-1-18(1).</b> There is adequate staffing, so the current population can be safely supervised.						
<b>R501-1-18(2).</b> A manager or qualified designee is immediately available when the program is in operation or there is a qualified and trained substitute when the manager is absent or unavailable.						
	_					

Program Client Record Requirements	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
R501-1-19(1)-(2). The program create and maintains personnel information for each staff member, contracted employee, and volunteer, including:  (a) any applicable qualification, experience, certification, or license;  (b) any approved and current office background clearance, except as excluded in Section R501-14-17;  (c) a department code of conduct that is signed by the staff member, contracted employee, or volunteer;  (d) any training records with the date completed, topic, and the individual's signed acknowledgment of training completion to include: (i) current CPR and First Aid certification;  (ii) current policy and procedure training; and  (iii) proof of annual department code of conduct and behavior management training;  (e) any grievances or complaints made by or against the individual and actions taken by the program; and  (f) each crisis intervention or critical incident report involving the individual.						
Foster Child's Rights in Foster Care	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
<b>R501-1-18(6).</b> Each program or person involved with the prescription, administration, or dispensing of controlled substances maintains appropriate medical or pharmacy licenses and DEA registration numbers as described in 21 CFR 1301.21						
<b>R501-1-18(5).</b> Programs managing, storing, or administering client medication identify a medical professional to be responsible for the medication management policy, medication oversight, and staff training regarding medication management.						
<b>R501-1-18(4).</b> Programs serving substance use disorder ensure each staff and client is screened for tuberculosis.						
<b>R501-1-18(3).</b> Programs that offer clinical services employ or consult with licensed professional staff that include an individual who is familiar with the program and the needs of each client.						

R501-1-20(1). Client information is maintained and includes: (a) client name, address, email address, phone numbers, date of birth and identified gender; (b) emergency contact names, including legal guardian where applicable, and at minimum, the emergency contact physical address, current email address or current phone numbers; (c) a program serving substance use disorder clients shall maintain compliance with an initial and annual client tuberculosis screening results in each client record; (d) any information that could affect health safety or well-being of the client including each medication, allergy, chronic condition or communicable disease; (e) intake screening and assessment; (f) discharge documentation; (g) treatment or service plan; (h) progress notes and services provided with date and signature of staff completing each entry; (i) individualized assessment for restriction of access to on-site items that could be used as weapons for self-directed violence or as an intoxicant; (j) any referral arrangements made by the program; (k) client or guardian signed consent or court order of commitment to services in lieu of signed consent for each treatment and non-clinical service; (l) summary of attendance and absences; (m) any grievances or complaints made by or against the client and actions taken by the program; (n) each crisis intervention or critical incident report involving the client; and (o) any signed agreements and consent forms.						
<b>R501-1-20(2).</b> There is a plan detailing how each program staff and client file will be maintained and remain available to the office and other agencies legally authorized to access the files for seven years regardless of whether the program remains licensed.						
Program Intake and Discharge Requirements	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
R501-1-21(1). The program completes an intake screening before accepting a client into the program. Intake screenings assess at minimum:  (a) verification that the client meets the eligibility requirements of the program;  (b) verification that the client does not meet any of the exclusionary criteria that the program identified in policy as unable to serve;  (c) description of presenting needs;  (d) suicide risk screening; and  (e) a program serving substance use disorder clients may not admit anyone who is unresponsive or unable to consent to care because the individual is experiencing convulsions, in shock, delirium tremens, in a coma, or unconscious.						

R501-1-21(2). Following determination of eligibility, the client or parent or guardian signs and receives copies of the following agreements to be maintained as client records:  (a) fee agreement outlining costs of services including program, client, parent, or guardian responsibility for payment; and (b) signed consent for treatment that outlines: (i) rules of the program; (ii) expectations of clients, parents, and guardians; (iii) services to be provided; (iv) Medicaid number, insurance information, and identification of any other entities that are billed for the client's services; (v) client rights; and (vi) licensing contact information.						
R501-1-21(3). A discharge plan identify resources available to a client and include: (a) reason for discharge or transfer; (b) aftercare plan; (c) summary of services provided; and (d) progress evaluation.						
Residential Additional Program Intake and Discharge Requirements	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
R501-1-22(1). In residential facilities, an intake assessment is completed following an approved intake screening and no later than seven days from the admission date. The assessment considers and contains: (a) gender identity and individualized assessment for bedroom and bathroom assignments; (b) cultural background; (c) dominant language and mode of communication; (d) family history and dynamics; (e) current and past health and medical history; (f) social, psychological, developmental, vocational, and, as appropriate, educational factors; (g) suicide risk screening; and (h) authorization to serve and obtain emergency care.	С	NC	NA			Notes

	_					
R501-1-22(3). The disruption plan contains the following: (a) program must retain jurisdiction and responsibility for the youth while the youth remains in Utah; (b) a program must complete an individualized disruption plan at the time of intake for each out of state client to include: (i) who is responsible for the child's return if placement at the facility disrupts; (ii) current emergency contact information to include the name, address, phone and email address of the parent or responsible party; (iii) a signed statement from parent or responsible party outlining the plan for the youth in the event of an unplanned disruption in care; and (iv) a plan for safe transportation either to the state of origin, the responsible party identified in Subsection R501-1-22(3)(a) or to another licensed congregate care program.  R501-1-22(4). Each congregate care program may demonstrate compliance with Subsections R501-1-22(2) and R501-1-22(3) by producing the 100A and 100B forms and disruption plan as required by the Interstate Compact for the Placement of Children (ICPC).						
<b>R501-1-22(5).</b> Private placements are reported to the office by the fifth business day of each month.						
<b>R501-1-22(6).</b> Critical and non-critical restraints or seclusions are reported to the office within one business day.						
Program Clinical Services	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
R501-1-23(1). Programs providing clinical treatment assign a clinical director to ensure that assessment, treatment, and service planning practices are: (a) regularly reviewed and updated; (b) individualized; and (c) designed to involve the participation of each client or each client's parent or guardian.						
<b>R501-1-23(2).</b> Programs providing clinical treatment ensure that each person working directly with a client is informed of the client's individual treatment needs and advised of the best approach to working with that client.						
approach to management					]	
<b>R501-1-23(3).</b> Programs providing clinical treatment ensure that client treatment plans are developed and signed by a licensed clinical professional within 30 days of admission.

## Residential Treatment Programs Additional Inspection Checklist C = Compliant NC = Not Compliant NA = Not Assessed during this inspection Date to be corrected **Corrected During Administration** C NC NA **Notes** Inspection R501-19-3(1). The residential treatment program documents local government approval for new program services or increased consumer capacity as described in Section ΙП П 62A-2-108.2. **R501-19-3(2).** The residential treatment program serving a child provides direct supervision that meets supervision and ratio requirements. **R501-19-3(3).** The residential treatment program serving a child has no less than two direct care staff on duty. **R501-19-3(4).** The residential treatment program serving a child maintains a staff to client ratio of no less than one staff to every four clients or as otherwise dictated in department contract. R501-19-3(5). Except as provided under Section R501-19-4, a residential treatment program serving a child may decrease the staff to client ratio during client sleeping hours to one staff to every 16 clients. **R501-19-3(6).** The residential treatment program serving a child only decreases the number of staff as described in Section R501-19-4 if: (a) each client is appropriately supervised to ensure health and safety at the ratio; and (b) each direct care staff remains awake while on duty. R501-19-3(7). The residential treatment program increases each staff to client ratio as necessary to ensure the health and safety of the current client population. **R501-19-3(8).** Direct supervision is only performed by direct care staff who are in physical proximity to the clients and actively supervising with line-of-sight check-ins no П less frequently than every 15 minutes. R501-19-3(9). Except in an emergency situation that is caused by a client's behavior or medical needs, each direct care staff assigned to a one-on-one or line-of-sight П П supervision is not counted at the same time in the staffing ratio for any other client. **R501-19-3(10).** The program policy includes how the program will accommodate client privacy in each bedroom space while assuring client health and safety. R501-19-3(11). The residential treatment program may utilize on-site video surveillance to directly supervise a client in time out or seclusion or as an enhancement to minimum supervision ratio requirements. 15-minute physical check-ins must be conducted and П documented when a client is being monitored by video.

	 		 _
R501-19-3(12). Video surveillance in bedrooms is only used by a residential treatment program:  (a) with client, parent, or guardian permission;  (b) when there is a documented need;  (c) when the programs monitor cameras or checks in at intervals of 15-minutes or less; and  (d) in a program serving an individual with disabilities, where video surveillance is in compliance with Rule R539-3.			
R501-19-3(13). A residential treatment program serving a child may provide step-down privileges to include unsupervised time and authorized departures from the program if: (a) the program maintains a 1:4 direct care staff to client ratio; (b) the program documents in the client record and communicates to each of the client's direct care staff individualized justification for the step-down privileges and which privileges are authorized by a clinical professional; (c) the program obtains written parental or guardian consent prior to allowing step-down privileges; and (d) the program provides to each client and parent or guardian a policy that includes: (i) a description of what constitutes authorized departure and unsupervised time; (ii) a description of how each step-down privilege, including authorized departure or unsupervised time, is achieved and rescinded; (iii) a policy that the program will immediately communicate to each client parent or guardian and direct care staff when the step-down privileges have been rescinded; and (iv) a statement that no step-down client is permitted to perform any direct care staff duties.			
R501-19-3(14). A residential treatment program serving adults may admit a 17-year-old under the following circumstances: (a) the program obtains written permission from the individual's parent or legal guardian; (b) the program provides clinical justification; (c) the program ensures that the individual sleeps in a separate room from adults or a room that the individual shares with adults no more than two years older than the individual; (d) the program ensures that any adult with direct access to the 17-year-old is directly supervised by a direct care staff; and (e) the program ensures enhanced safety and supervision measures for treating a minor in an adult setting.			
<b>R501-19-3(15).</b> The residential treatment program providing services to a substance use disorder client: (a) only admits a substance use disorder client with a level of care that falls within American Society of Addiction Medicine levels 3.1 through 3.5; and (b) obtains any required licenses before providing any service to a substance use disorder client outside of the residential milieu with a level of care described in Subsection R501-19-3(16).			

<b>R501-19-3(16).</b> The residential treatment program makes any necessary accommodation before allowing a child to continue the child's education with a curriculum approved by the State Board of Education.						
<b>R501-19-3(17).</b> A program that provides education utilizes a curriculum that is recognized by an educational accreditation organization such as the State Board of Education or the National School Accreditation Board.						
<b>R501-19-3(18).</b> A program that allows a client to participate in meal preparation ensures proper training and justify the client's participation in writing.						
<b>R501-19-3(19).</b> The residential treatment program provides individual, group, and family counseling or other treatment, including skills development, at least weekly or as outlined in the individual's treatment plan.						
<b>R501-19-3(20).</b> A residential treatment program that provides therapeutic service such as life skill development, psychoeducation, or social coaching is included in the therapeutic environment and be overseen by a clinical professional.						
<b>R501-19-3(21).</b> The residential treatment program documents the time and date of each service provided to each client. Any documentation includes the signature of the individual providing service.						
<b>R501-19-3(22).</b> The residential treatment program provides indoor space for free and informal client activities.						
Requirements for Intermediate Secure Treatment	С	NC	NA	Date to be corrected by	Corrected During Inspection	Notes
<b>R501-19-4(1).</b> The intermediate secure treatment program clearly defines in policy the responsibilities of the manager described in Section R501-1-18.						
<b>R501-19-4(2).</b> Subsection R501-19-3(4) does not apply to an intermediate secure treatment program serving youth. Intermediate secure treatment programs serving youth maintain a staff to client ratio of no less than one staff to every five clients.						
<b>R501-19-4(3).</b> The manager described in Section R501-1-18: (a) is at least 25 years of age; (b) has a BA or BS degree or equivalent training in a human services related field; and (c) has at least three years management experience in a residential or secure treatment setting.						
<b>R501-19-4(4).</b> Each direct care staff working in an intermediate secure treatment program is trained to work with a child with behavioral or mental health needs and works under the supervision of a licensed clinical professional.						

R501-19-4(5). In addition to the direct care staff training requirements described in Subsection R501-1-14(5), each direct care staff working in an intermediate secure treatment program receives 30 hours of additional training annually that includes training on the following topics:  (a) human relations and communication skills; (b) the special needs of children and families; (c) problem solving and guidance; (d) client rules and regulations; (e) client record and incident documentation; (f) maintaining staff, client, and visitor safety in a secure setting; and (g) universal precautions for bloodborne pathogens.						
R501-19-4(6). The intermediate secure treatment facility incorporates the use of fixtures and furnishings that help limit self-harm and suicide. Such fixtures and furnishings include:  (a) plexiglass or safety glass; (b) recessed lighting; (c) sealed light fixtures; (d) non-exposed fire sprinkler heads; and (e) pressure release robe hooks.
